

# 485 Fiber Optic Transceiver Connected to Raster

Description Thor Fiber now has a line of Multi-Serial (RS-232 / RS-485/ RS-422) to Fiber Optic Converters that transmit a serial protocol over fiber. Fiber Transmission extends a serial signal up to ...

Documents sorted by newest first.

The ICF-1150 serial-to-fiber converters transfer RS-232/RS-422/RS-485 signals to optical fiber ports to enhance transmission distance. When an ICF-1150 device receives data from any serial port, it ...

RS485 network for you!" This unit features bi-directional serial conversion from 2 ...

The DL485 and DL485-4W fiber optic systems serve as vital components for connecting field bus systems with RS485 interfaces, enabling safe and reliable data transfer in industrial applications.

Safely add isolated segments to multidrop and point-to-point EIA-485 networks, separated by up to 4 kilometers. Improve safety, signal integrity, and reliability by using two optical fibers instead of wire to ...

The FR485 is a RS-485 to fiber optic convertor module available as a single fiber pair output repeater. The FR485 uses Agilent 850nm, transmitter and receiver with the "ST" connector receptacles for ...

Our rugged, industrial-grade, point-to-point RS232 / RS485 / RS422 serial to fiber optic converters work in pairs to extend serial signals (RS232, RS485, RS422, and TTL) over long distance.

The RS 485 Fiberoptic Repeater OZD 485 G12(-1300) PRO is intended for use in optical RS 485 fieldbus net-works such as Modbus RTU, Modbus ASCII, BITBUS and company-specific busses .

Pricing (USD) Filter the results in the table by unit price based on your quantity.

The FR485 is a RS-485 to fiber optic convertor module available as a single fiber pair output repeater or dual fiber pair output repeater. The FR485 uses OPTEK's b 850nm, transmitter and receiver with the ...

RS485 network for you!" This unit features bi-directional serial conversion from 2 wire RS485 to a pair of ST 62.5 micron multimode ports. Capable of extending the range of a RS485 communications link to ...
