

576-core anti-light-jump junction box

Adopting SMC box, sheet metal box and stainless steel box, modular structure, the introduction, stripping and scheduling of optical cables can achieve full frontal operation

The outer box body is made of high-strength engineering plastics, It has features of light weight, high mechanical strength, anti aging, strong corrosion resistance, lightning resistance, and long service life.

Excellent Anti-removable Screw Opening Type to protect fiber and splice ensuring durability. 576 core fiber joint closure. Overlap structure in splicing tray for easy installation.

It has two installation methods: floor mounted and overhead mounted. This product offers four different capacity configurations: 96 core, 144 core, 288 core, and 576 core, to meet the needs and scales of ...

Fiber optic cabinet, max up to 12/24/48 trays, 12 ports one tray, total 144/288/576 ...

It has two installation methods: floor mounted and overhead mounted. This ...

Only a part of Joint Box/Splice Closure/ Joint Closure are listed here. We can depend on customer's requirement to producing the different model Joint Box/Splice Closure/Joint Closure.

Fiber optic cabinet, max up to 12/24/48 trays, 12 ports one tray, total 144/288/576 ports, FC or SC adapter can be installed. Optional cabinet material: SMC, stainless steel.

The 576 core dome joint closure is a mechanical sealing design with one oval port cable entry and eight round port outlets. It is a great solution for distributing, splicing and storing outdoor optical cables.

The Model GD-J116R Fiber Optic Splice Closure (FOSC) is designed for optical fiber connection and protection. It is suitable for overhead, pipe, and buried straight and branch connections. The box and ...

E SPLICE DOME 48,120, 288 AND 576 FIBER Scope Dome fiber splice enclosure is an equipment that used for opt. cal fiber cable splicing, joint and protection. It is waterproof and dust proof and suitable ...

576 Core Optical Connection Box, Find Details and Price about Light Box Divider Box from 576 Core Optical Connection Box - Suzhou Manteqi Communication Technology Co., Ltd.
