

A full range of new outdoor optical cable models are available

Mouser offers inventory, pricing, & datasheets for Outdoor Fiber Optic Cables.

Belden's extensive line of indoor and outdoor cable products is offered in tight buffer and loose tube designs. Armored, burial, and ruggedized designs are suited to a host of industrial environments.

Choose the best outdoor fiber cable for each installation environment. From aerial self-supporting ADSS cables to armored direct buried types and waterproof cables, this guide helps you ...

ScaleFibre's range of outdoor optical fiber cables. Ultra high-density ribbon cable with flexible ribbon construction, engineered for space efficiency, fast mass fusion splicing or single fiber splicing in duct ...

Browse armored and dielectric outdoor fiber optic cable.

Our cables for outdoor applications are engineered to withstand the more demanding conditions seen outside, from environmental extremes to mechanical forces.

Durable outdoor fiber optic cables including ADSS, armored, and gel-filled options for high-speed, long-lasting networks. Learn more and buy today!

OS2 and OM1-OM4 outdoor fiber optic cables with LC/LC, LC/SC, LC/ST, SC/SC, SC/ST, ST/ST connectors. Armored and tight-buffered, UV and water resistant, rated -40°C to +85°C.

The portfolio includes armored, non-armored and dielectric fiber optic cable designs, available with dry or gel-filled tubes. These cables exhibit unmatched stability and optical excellence.

Dekam Fiber offers a full range of solutions -- from figure-8 aerial to armored buried and smart hybrid cables -- all with rigorous testing and 25-year warranties.
