

APC Ceramic Foil Stepped Surface

Product Description of Zirconia Ferrule Singlemode/Multimode SC PC/APC/Step/Pre-angle With CU/SUS Flange T& S offers Ø1.25 mm and Ø2.5 mm ceramic (zirconia) fiber optic ferrules for ...

APC International is leading the piezo industry with their custom design and and groundbreaking production systems. Contact us today to order!

The SC-APC stepped ceramic ferrule is arranged at the center of an optical fiber connector, and is matched with a metal seat; a ceramic ferrule main body is cylindrical; one segment of...

This package is one step up from the ION package and includes two layers of ION base and one layer of ION top. The extra layer of ION base provides more protection for your vehicle, ...

SENKO"s Premium SC Fiber Optic Connector was specifically designed for high-performance applications requiring ultra-low insertion loss. Designed with precision keying and high-quality ...

Ceramic Pro ION coating package for advanced ceramic protection with superior hardness and gloss. Applied at APC Auto Spa Monroe & Tukwila.

When embedded on a thin substrate, actuated MFCs induce surface pressure, resulting in out-of-plane motion. Design characteristics of the substrate, such as anisotropy, give rise to unique...

Precision Fiber Products manufactures SC/APC type 2.5mm OD ceramic ferrule ...

Our high precision standard zirconia ferrules are designed for high reliability and performance. Available ferrule types are SC, ST, LC, SMA with flat, dome, cone, step, or pre-angled end-faces. Contact us ...

Precision Fiber Products manufactures SC/APC type 2.5mm OD ceramic ferrule sticks. They come in a variety of ID bore sizes and performance types. 100% tested for concentricity and bore size.

Precision Fiber Products manufactures SC/APC type 2.5mm OD ceramic ferrule assemblies, with flange. They come in a variety of ID bore sizes and performance types.
