

Armored Fiber Optic 4-Core Multimode

G300-xxU-4LC is a four-core multi-mode optical fiber cable, which is mainly used with audio and video optical fiber extenders. This four-core fiber with LC-type connectors can reach up to 300 meters while ...

Suitable for Various Harsh Installation Environments such as roads & snowfields & industrial fields & construction sites. Ideal for both indoor and outdoor applications. Can be installed overhead, buried ...

Deliver high-speed data and laser-optimized performance with superior protection using the nanoFIBER 250 foot 4-Core OM3-300 Multimode Fiber Cable. Each fiber is 900µm tight buffered, allowing for ...

This category of fiber cables has a loose tube fiber single, interlocking armored and dielectric options available. In addition, we offer tight buffered fiber cables that are made so that the buffering material ...

G300-xxU-4LC is a four-core multi-mode optical fiber cable, which is mainly used with audio and video optical fiber extenders. This four-core fiber with LC-type ...

A 4 core armoured fiber optic cable consists of four individual optical fibers encased within a protective metallic or non-metallic armor layer. These fibers are capable of transmitting data ...

This HES branded fiber optic cable series, enhanced with OM4 MultiMode fiber technology, offers a wide range of applications with single-tube and multi-tube varieties.

Armored, burial, and ruggedized designs are suited to a host of industrial environments. For each product design, items for OM1, OM3, OM4, OM5, and OS2 (Singlemode) items have been developed.

Armored Fiber Optic Cable, sometimes referred to as MC Fiber Cable or BX Fiber Cable, is optimized to protect your fiber cable, avoiding any and all unnecessary network downtime as a result of outside ...

Experience paramount durability and signal integrity with our 4 Core Multimode Armoured Cable. Perfect for indoor and outdoor networks, offering compliance with IEC, TIA/EIA, and RoHS.

Browse our armored fiber optic cables and patch cables today. We carry OM4 and OM3 fiber optical jumpers, 50/125 10G, 40G, 100G, LSZH rated and more.
