

Box-type 1-to-9 beam splitter

Our beam splitters are made from high grade glass material with laser grade surface flatness & surface quality for tighter tolerance on the splitting ratio.

The Blockless PLC FTTH Splitter is a compact, protective solution for optical fiber distribution. As a miniaturized version of traditional cassette splitters, it delivers the same level of performance while ...

Quick-reference guide for beam splitters -- key equations, type comparison tables, Fresnel reflectance, polarizing designs, and a practical selection workflow. Condensed from the comprehensive guide.

This design is extremely flexible, allowing one to use different fiber types on different ports, and different beam splitter optics inside. Custom designs combining circulators, polarizing spitters and non ...

Beamsplitters are optical components used to split input light into two separate parts. Beamsplitters are common components in laser or illumination systems. Beamsplitters are also ideal for fluorescence ...

Thorlabs offers a wide range of optical beamsplitters. Our plate beamsplitters have a coated front surface that determines the beam splitting ratio while the back surface is wedged and AR coated in ...

Spring Optical can produce PLC Splitter in balanced split ratio or unbalanced split ratio, which feature small size, high reliability, wide operating wavelength range and good channel-to-channel uniformity.

Explore our collection of optical cable splitters and PON splitters for sale. Optical beam splitters are used to split the fiber optic light evenly into several parts at specific ratios.

Explore our comprehensive selection of high-performance fiber optic splitters. We offer a variety of PLC splitter types, including ABS box, LGX cassette, and rack-mount options with multiple split ratios.

CommScope offers a portfolio of bare and connectorized splitters/couplers in a wide range of styles and split ratios, and splitter modules for inside plant (ISP) and outside plant (OSP) applications that help ...

Box-type 1-to-9 beam splitter
