

Coaxial to Fiber Single-Mode

This series of media converters use multimode and single-mode optical fiber and one and two fiber SC and ST optical connectors. LED indicators confirm operational status. All models are environmentally ...

SEL manufactures high-quality fiber optic, ethernet, coaxial, and other cables and accessories. Sized to order and quality tested for reliability and operation.

Learn all about the differences between single mode and multimode cables, as well as the various fiber wavelengths and standard core sizes used in fiber optics.

In this application, two Ethernet switches equipped with multimode fiber ports are connected utilizing a pair of fiber-to-fiber converters which convert the multimode fiber to single-mode and enable network ...

GESD 8 Channel Video Data Fiber Optic Media Converter FC Singlemode Transmission Distance 20Km for Analog CCTV Surveillance Security System (1Pair Interface BNC coaxial Conversion Transmitter)

The iConverter T3/E3 is a T3 (44.736Mbps) or E3 (34.368Mbps) coax to fiber converter, and is available as a compact unmanaged standalone unit or a managed chassis plug-in module. The iConverter ...

Find versatile media converters with plug-and-play installation. Explore options for fiber, coax, and ethernet connectivity needs.

This series of media converters use multimode and single-mode optical fiber and one and two fiber SC and ST optical connectors. LED indicators confirm operational ...

By including a matched pair of Bi-Directional 2.488Gbps SFP transceivers, this kit allows you to establish a high-speed link up to 65,600 feet (20km), maximizing existing fiber infrastructure by using ...

VOSCOM Coax to Fiber Converter, VOS-8000FT/R can transmission 8-Channel composite video over fiber, support AHD / HD-TVI / HD-CVI & analog video format. for fixed camera, no audio,no data. ...

The iConverter T3/E3 media converter provides standard T3 (44.736Mbps) or E3 (34.368Mbps) coax to fiber conversion and can be used to connect to devices such as PBXs, multiplexers, routers and ...
