

Eight-point light wheel emitter

Girlfriend: Watch carefully, I will only perform once!

Eddie's eight-point light wheel was learned from the first generation. Eddie used it for the first time in the fourth episode of 45, cutting the sixth generation of the Baltan star in half.

First, palms together, and stretched, a rainbow appeared, and gathered into a round ball, and finally it suddenly became larger, becoming a brand new skill rainbow eight-point light wheel.
