

Fire-retardant optical cable for cable tunnels

Certified to B2ca CPR and FE180 fire-resistance standards, these cables maintain optical integrity under extreme heat and flame exposure--ideal for tunnels, hospitals, airports, industrial plants, data ...

Its ability to provide continuous temperature readings over long distances makes it an ideal solution for fire detection in tunnels, industrial sites, large buildings, and complex infrastructure.

Firesafe optical fibre cables have been designed for use in areas where optical fibre cables are required to operate in the event of a fire and are used in railway and highways tunnels, mass transit ...

Find your fire-resistant optical cable easily amongst the 12 products from the leading brands (LAPP, ZTT, CABLESCOM, ...) on DirectIndustry, the industry specialist for your professional purchases.

This FireTuf fibre range is fully compliant with fire resistant standards IEC 60331-25 and flame retardant standards IEC 60332-2-3-24C, guaranteeing the cables circuit integrity and performance in the event ...

APAR offers 2F to 512 F optical fibre cables, in armoured and unarmoured designs. The cable ensures operation for 3 hours in fires up to 750°C. The cable is halogen-free and flame retardant, to protect ...

Ensure reliable communication in rail transit systems with flame-retardant and high-temperature resistant fiber optic cables. Our railway optical cables meet EN 45545-2, IEC 60331, and ...

Lifeline®; QFCI is the first UL flame listed optical cable designed for indoor/outdoor use in vital communication and emergency systems that need to be operational during fire. The cable has a ...

This document provides guidance on best practice for the selection and installation of cables for distributed temperature sensing (DTS) in the fire detection domain.

- Roadway Tunnels Lifeline®; QFCI is the first UL flame listed optical cable designed for indoor/outdoor use in vital communication and emergency systems that need to be operational during fire.

Fire-retardant optical cable for cable tunnels
