

Fully Automatic Optical Cable Stripping Machine

Our semi-automated cut and strip machines are built for precise, efficient processing of a wide range of cable types, from single and multiconductor to coax, ribbon, and fiber optic cables.

The machine consists of three separate units, a cable pay-off units, ...

The design of this machine is original and novel, the operation of the machine is in accordance with ergonomics, and it is suitable for automatic peeling 2 / 8 core banded fiber.

The FBT-800 is a pneumatic fiber stripping machine specifically designed for buffer, coating stripping of optical fiber cables and ribbon fibers. The compact machine strips lengths from 5 up to 35 mm with ...

1?This is a fully automatic coaxial wire cutting and stripping machine, mainly used for processing semi-flexible coaxial cables. There are 3 sets of cutters built in this machine: the rotary blade is used to cut ...

The FOCC fully automatic optical cable stripping machine uses electrical control and is designed to automatically strip the 900-micron tight cladding and 250-micron coating of single-core and dual-core ...

This high-performance machine integrates multiple functionalities, completing the shearing of aramid fibers, jacket stripping, and outer sheath crimping in one seamless operation, significantly reducing ...

The Cable Cutting Machines & Stripper Tools category features a comprehensive selection of manual, semi-automatic, and fully-automated fiber cable tools designed for precision cutting and stripping of ...

The machine consists of three separate units, a cable pay-off units, a cable cutting unit and a cable take up unit. Suitable for remote or armored fiber optical cable cutting, out jacket stripping, coiling and ...

Shop our selection of fiber optic stripping machines for efficient cable preparation. Perfect for telecom and datacom applications. Bulk orders and OEM available.

Engineered for efficiency and accuracy, this model integrates both wire stripping and cable jacket splitting functions, making it an ideal solution for manufacturers and technicians working with delicate ...
