

Handheld Light Source for Campus Network Use Dynamic Range 35dB Specifications

SmartClass(TM) Fiber OLS-85 handheld light source is a professional, versatile, and compact instrument used for fiber-optic network qualification and certification.

This handheld adjustable light source offers quick and accurate ...

Viavi Solutions" SmartPocket OLS-34/-35/-36/-37/-38 series of pocket-sized and rugged optical light sources is well suited for the installation and maintenance of single mode and multi mode fiber optic ...

This handheld adjustable light source offers quick and accurate testing and provides 1-4 output wavelength options for single and multi-mode fiber. It is designed for the installation and ...

FIS Hand Held Power Meters and Light Sources are suitable for field installation and service work as well as laboratory use.

Optical Light Source X-5002 provides single to quad-wavelength output including 650nm visible light source and 850/1300nm wavelength for multi-mode fiber or 1310/1550 nm dual-wavelength for single ...

Essential building blocks for fiber testing, EXFO offers optical light sources with multiple wavelength options for component testing, R& D, manufacturing and field environments. Faster and highly reliable ...

This mercury-free, long-life ULB-35 LED light source has instant-on and extended electronic intensity dimming capabilities. The ULB-35 series light sources conveniently accepts a 12VDC input voltage ...

Optical Light Source X-5002 provides single to quad-wavelength ...

JW3109 Handheld Light Source is designed for optimal use with JW3208 Optical Power Meter for measuring optical loss on both single mode and multi mode fiber cable. Joinwit Optoelectronic ...

The OBS-55 Smart Optical Broadband Source with its polarized broadband spectrum of light allows to perform high dynamic range PMD measurements. With its high dynamic power range, the unit is able ...

The Precision Rated Optics LS-500D Handheld Stabilized Laser Source is designed for fiber-optic network site installation, acceptance, and maintenance of fiber optic cable. Used with a hand-held ...
