Discover the cost of fiber optic cable in this pricing guide. Learn material prices, installation factors, and what impacts total project costs overall.

FTTH Indoor 2 Core G657 Optical Fiber Drop Cable, Find Details and Price about Fiber Optic Optical Fiber from FTTH Indoor 2 Core G657 Optical Fiber Drop Cable - Shenzhen Necero Optical Fiber And ...

CommScope designs and manufactures a comprehensive line of fiber optic drop cables

It's an indoor optical cable specially developed for FTTH (Fiber to the Home). 2 fiber core is in the center of the cable, and 2 metal strength member are placed on both sides.

It is suitable for all indoor applications where fiber optic cabling is needed. It utilizes 900µm Tight Buffers, Aramid yarn strength members, and exclusive use of Corning optical fibers.

The optical fiber cable is with special structure so it is easy to pull the fibers out from the cables.
