

Large Laser Diode Models

ROHM offers a diverse product lineup that meets the needs of an ever-expanding range of applications. The RLD90QZW8 is a 120W infrared high power laser diode developed for distance ...

Find the right laser diode with just a few clicks. Just select your specifications in the search mask and you get an instant overview of all the laser diodes that meet your requirements.

Our vast selection of laser diodes includes both free-space & fiber-coupled outputs, like high-power Fiber-Coupled Multimode, high beam quality single mode, and narrow linewidth & wavelength ...

We also offer optoelectronics mounts that directly accommodate many of our laser diode package options. The Laser Diode Selection Guide provides a comprehensive list of all laser diodes available ...

Shop DigiKey's large in-stock selection of Laser Diodes, Modules. View inventory, pricing and order now for same day shipping!

Laser diodes are available at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many laser diode manufacturers including ams Osram, KYOCERA AVX, ...

High power laser diodes (>10 Watts) are available at wavelengths from the near infrared through roughly the 2000nm region. The most common devices are in the range of 808nm through 980nm.

Whether it is diodes for extremely high reliability applications such as LiDAR pumping or high-power pump modules for industrial and security applications, or customized laser diodes for scientific ...

Compact and powerful laser diode array modules featuring a T6 building block design with integrated cooling and electrical manifold. These modules deliver up to 1 megawatt of output power, ideal for ...

Product PortfolioAMS Technologies is a leading supplier of laser diodes and carries an exceptionally broad portfolio of component-style laser diodes as well as laser diode modules for a wide variety of ...
