

NRZ Selection Guide for Security-Grade DAC High-Speed Cables

Download PDF. This document has been deprecated, for more information refer to Interconnect Product Specifications or contact your NVIDIA representative at Enterprise Support ...

Last updated on Apr 29, 2026.

Compare DAC and AOC cables for high-speed network deployments with expert selection criteria and best practices.

High-speed Volex Direct Attach Copper (DAC) cables deliver reliable, energy-efficient data transfer for data centers. Customizable, tested and ready to deploy.

Offered in both 26AWG and 30AWG cable sizes for QDR and 28AWG and 30AWG for FDR, the cable assemblies feature a rugged industry standard complaint EEPROM and memory ...

Telecommunication and data center customers have increasing bandwidth requirements and, therefore, require high-density interconnects. QSFP-DD Interconnect System enables faceplate density equal ...

Click on the green bold underlined part numbers to open the Product Specifications for that specific product. See also the user guide for configuring these transceivers and cables.

Designed by the GIGALIGHT R& D team and manufactured by CablesTEC's Yancheng factory, each cable has undergone rigorous performance testing. COM parameters and S parameters are much ...

Offered in both 26AWG and 30AWG cable sizes for QDR and 28AWG and 30AWG for FDR, the cable assemblies feature a rugged industry standard ...

This user guide is to be used in conjunction with other documents located in folders in docs.nvidia /networking/ > Interconnect. This site is where the following LinkX cables and ...

Mastering Optical Interconnects: The Authoritative Cisco Compatible SFP List 2026 for Enterprise Infrastructure Technically speaking, the transition in 2026 focuses on the shift from NRZ ...

Our Electronics Products Product of the Year award- winning OSFP (Octal Small Form Factor Pluggable) cable assemblies are compatible with 25G/lane channel NRZ up to 112G/lane ...

This section profiles 4-channel, 200Gb/s, QSFP56-based cables and transceivers using 50G-PAM4

NRZ Selection Guide for Security-Grade DAC High-Speed Cables

modulation for Ethernet and/or InfiniBand from 0.5m-to-2km for use in 200GbE and HDR switches, ...
