

Optical Module Screening Machine

Stratus III Inline Fully-Automatic optical inspection machine Our STRATUS III INLINE solution is our automatic solution to inspect rigid boards . Ceramic, PCB, etc.) in an automated con-veyor based ...

ficonTEC designs and produces fully-automated machines that inspect photonic components and devices for defects and contamination

Mek is a leading supplier of Automatic Optical Inspection equipment for advanced PCB inspection, test and measurement. Our broad range comprises 3D AOI ...

With support for a broad range of ferrule types--including single-core, multi-core, MPO/MTP, SMA-905, and even plastic optical fibers--this system offers unmatched flexibility and ...

Using a mobile device with an integrated camera enables us to see exactly what you see. We can guide you step-by-step to resolve the issue by providing real-time contextual assistance, such as adding ...

Automated optical inspection for contact lens manufacturing. Learn how machine vision detects micro defects in hydrated lenses using optimized illumination and imaging.

Our automated optical inspection systems are widely-applicable and include a vast range of analysis and measurement tools to allow you to successfully solve countless inspection and measurement ...

ITEC's AOI family is the best solution for 2nd, 3rd and 4th optical inspection of your production. It also offers mid-end applications for inspection after mold and plating, as well as a full inspection system ...

The Fully Automatic Laser Diode Module Tester VMSB-2000 is designed to meet the high-quality material handling and test requirements of the Laser Diode and Optical modules market.

Automated optical inline inspection systems featuring image processing technology, such as the compact system series KVC 42x from Kistler allow to directly integrate camera stations as modules ...

Mek is a leading supplier of Automatic Optical Inspection equipment for advanced PCB inspection, test and measurement. Our broad range comprises 3D AOI systems, Through Hole or THT AOI, Modular ...
