

Self-operated sales of vibration optical cables

We carry a vast selection of fiber optic products including bulk fiber cables and have an extensive selection of tools and products to optimize your fiber cable management and protection capabilities.

We offer fiber optic materials from Test Equipment, Bulk Cable and Fusion Splicers to Tools, Patch Cables and Consumables.

We now produce more than 100 types of cable designs for a wide range of applications. These include outdoor and indoor cables, OPGW, fire rated cables, and sensor cables.

We are Sales Engineering support for industry leading Manufacturer's. We also provide product training and can provide referral's for some of the best Contractor's in the East.

CommScope designs and manufactures a comprehensive line of fiber optic cables--from outside plant to indoor/outdoor and fire-rated indoor fiber cables.

CERTIFIED TECH SUPPORT: To help you in product selection & fiber installation concepts, all of our Sales Technicians and Support Personnel are Certified Fiber Optic Installers.

Founded in 1989, STI Vibration Monitoring is a world leader in the manufacturing and supply of vibration monitoring systems and accessories for predictive maintenance.

Vibration Dynamics Tech delivers cutting-edge optical fiber vibration sensing technologies tailored for applications in aerospace, energy, construction, and defense.
