

# TCS Series Industrial Switches

These high-quality and robust temperature switches have been developed especially for safety-critical applications. The high quality and the manufacturing of the product ensures reliable monitoring of ...

Dwyer TCS Series Thermocouple Temperature Switches. Great savings and get fast delivery when you order today on ITM . In stock, ships same or next day.

TC Series Industrial Switches are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for TC Series Industrial Switches.

The Series TCS offers a wide temperature range, two selectable alarm set, and an internal buzzer indicating alarm condition or error. The user can define set point, heating/cooling regulation, cycle ...

The Series TCS Thermocouple Temperature Switch monitors and controls temperature while offering a wide temperature range, two selectable alarm sets, and an internal buzzer indicating alarm condition ...

The model TCS temperature switch is extremely robust and guarantees optimal operating characteristics in a limited space with repeatability lower than 1 % of span.

TCS-4020 is a series TCS thermocouple temperature switch monitors and controls temperature while offering a wide temperature range, two selectable alarm sets, and an internal buzzer indicating alarm ...

Monitor and control temperature in heating and cooling applications with the Series TCS Thermocouple Switch. The Series TCS offers a wide temperature range, two selectable alarm sets, and an internal ...

The DwyerOmega Series TCS is a rugged, dual-alarm thermocouple temp switch designed to provide reliable temperature monitoring and control, especially for demanding ...
